WELCOME TO THE SHIT SHOW

RUDE WORDS ARE FUN.

NOTHING IS UNDER CONTROL AND THAT'S OKAY.

Welcome to the delightful Defamations 2023/2024 Catalogue.

Need a break from the whole 'love and light' shit show? We've got an absolute shit-tonne of amazingly inappropriate gifts that everyone you know with a dark sense of humour will love. Or if you're feeling a little self-centred, we totally encourage buying them for yourself too. Treat yo' self!

Just take a chill pill and use Defamations' sarcastic and snarky products to get you through your chaotic life. Defamations products are perfect for giving to your best friend, your husband, your wife, your girlfriend, your boss, your grown-up kids or the total knob-head down the road.

How serious is life? A load of laughs, fun and humour goes such a long way. And we're glad to have you along for the ride. It's essential to have humour to counter the ridiculously negative vibe-merchant news.

We make funny products that make you laugh, are a bit of fun, as well as functional. The perfect addition to a good old-fashioned whine in the evening or someone else's chaotic life. Very defaming, demeaning, but delightful, Defamations provides comic relief from the mundanity of the world. Take the piss out of family and friends, like we do in Australia.

You might think we don't give a fuck about anything, but you'd be wrong. We're totally devoted to not fucking up the environment and we want you to look good doing it.

Finally, please note: we do not encourage the unmindful use of swear words. To the contrary, we embrace it. Fuck. Shit. Bitch! How good does it feel? What a stress release! Fuck yeah!

We are all sinners, and we just love being bad. It's a fantastic way of sticking your middle finger up at the world.

Have a fabulously fucked-up day and thanks for all your support.

The Defamations Team ♥

CRAP WE CARE ABOUT.

SUSTAINABILITY

At Defamations, we might be politically incorrect, but do we care? Nope. What we do care about is when someone plays funny buggers with the environment.

Defamations is a Carbon Neutral company. Our greeting cards are printed in Australia using FSC-certified and PEFC-certified stocks. We make all our products in the most environmentally friendly ways possible. We also encourage all our staff to wear hemp undies and grow their own t-shirts.

For the record, Defamations dislikes people who hunt wild animals for trophies, are racist and show no regard for the environment. When we say 'ethical warriors', we're not talking peace, love and mung beans; we're talking about sending Flea around if you behave dishonourably or unethically in any way. Everyone should have a friend called Flea. 😊

So, if you see anyone being a tosser; if you catch wankers putting recycling in the wrong-coloured bin, or harming the environment, please give them a rude awakening. If that doesn't work, let us know and we'll out them quicker than Marcel Proust telling his mum he's gay.

DEFAMATIONS ALSO SUPPORTS

- Unruly fun times
- No limits
- Four-letter words
- Sarcasm
- Taking the piss
- Naughty thoughts
- 12am cheese toast
- Thursday night drinks
- Friday night drinks
- Saturday night drinks
- Dark chocolate
- Going too far
- Memory lapses

1 BIG, DYSFUNCTIONAL HAPPY FAMILY

We're a family-owned business. Well, we've always presumed we were family. Our motto is, "Live your life as though you live in a cult." So, we did! Gee, we're a lucky bunch. Like Mum always said, "Some kids only have one Dad; you've got three."

Our products are designed in Australia and dispatched from our shed by our two trained staff called "Get the Fuck Out" and "Get the Fuck Here".

Most of our team live and work close by in some shit-kicking town. We think it's called, 'Seeyawhenimlookinatya', which Dad used to say when he slammed the door in my face.

WE DON'T GIVE A TOSS

Defamations is all about creating a memorable experience. We want to be the fucking opposite of everyone else.

None of that "Oh dear, don't do it that way, 'cos it will upset some bearded, toga-wearing, save-the-fucking-horny-goat-weed-from-extinction cry-baby."

None of that friggin politically correct bullshit for us. We provide fun and occasionally risky employment for our staff, i.e. cousins.

BECOME AN FIP

WELCOME

FOR VERY FUCKING IMPORTANT PEOPLE ONLY.

We're thrilled to have YOU as a partner on our quest to defame, demean and delight the world.

We don't care what everyone else says — we think you're special!

The last Tim-Tam-in-the-pack kind of special!

Defamations is a delightfully unique offering, part positive spin, part rude as all fuck, but definitely a living reminder that we love taking the piss out of everyone.

Have a Captain Cook at all the products deliciously laid out in these pages. If these puppies don't make you laugh, you're a few stubbies short of a six-pack. It doesn't matter whether you're a canetoad, a banana-bender, a cockroach, a sandgroper, a crow-eater or a Sicktorian, Defamations is and always will be pure gold.

From the lot of us at Defamations: welcome to the back of the bus, the coolest gang in town. We have some brilliant stuff for you to let rip amongst friends, family and customers.

There's nothing we love more than a good old-fashioned bitch and moan so if you have any questions, comments or simply want to have a chin-wag, please feel free to email us.

INTRODUCING OUR POMMY MATES, GO LA LA.

In mid-2022, the Defamations big bosses stumbled across some very funny soaps during a trip to the UK.

Managing to finally get through the giggle-fit reading the soap names caused, they struck up a deal with Go La La to bring these dirty soaps down-under!

Go La La is a funny greeting card and gift business based in the West Country, UK.

Owners John and Laura previously worked in the Arts, IT and Charity sectors, until deciding one day (well, a night in the local pub beer garden sealed it) to become entrepreneurs and so launched Go La La in 2016. Their goals were quite simple; to be creative, make people laugh and earn a living.

Their designs can be found on numerous humour greeting card ranges and also their **award-winning Filthy Gorgeous soap range**, which won the Judge's Vote and Novelty category in the 2021 Gift of the Year competition.

Knowing that it's unlikely that they'll ever bring about World Peace, spending their time being funny and sending some humour out into the world is a good-enough alternative.

Winner of Gift of the Year 2021, Go La La's playful, irreverent style and commitment to the environment is fast making it a go-to brand for original gifts.
